**NEW BUSINESS**

❖ **Summer Learning Opportunities**

- “Cubs Camp” program is an optional extra educational opportunity running from June 1 - 30.
- Available to all currently enrolled students.
- Will be a mix of academic and social-emotional learning activities.
- The program will follow our normal bell time, with transportation and food services being provided.
- It is ONLY face-to-face instruction with no distance option
- Discussion:
  - Can we change the hours to be later in the day? Most likely not due to CCSD transportation needs.
  - What does the staffing look like? We are currently gathering data on the number of staff members interested.
  - What will class sizes look like? District student to teacher ratios will be upheld and might even be smaller than usual.

❖ **Registration for 2021 - 2022**

- Registration currently OPEN via online or in-person at office.
- Distance learning for 2021 - 2022 will have more expectations and parameters than in the past year.
- We will not know the logistics of distance learning for 2021 - 2022 until we have more data from families.
- Help spread the word for kindergarten registration!
