

Description

The Destiny Library Catalog is now available for families to view with guest access. Families can use guest access to assist their student(s) in reviewing books for library checkout.

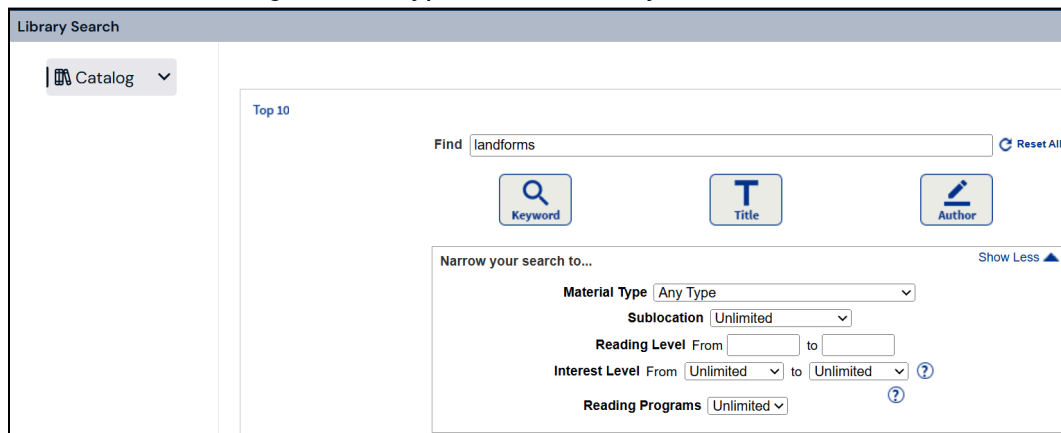

Searching the Destiny Library Catalog

1. The Destiny Library Catalog Guest Access link will bring the guest to a library search homepage.

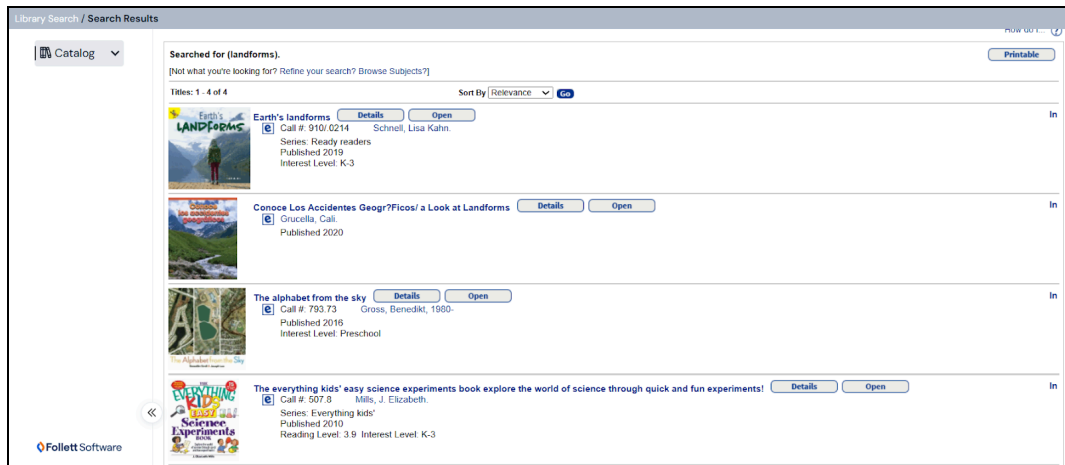

The screenshot shows the 'Library Search' homepage. At the top, there's a header for 'The Clark County School District Libraries' and 'Curriculum and Professional Development Center'. Below this, a 'Library Search' section features a 'Catalog' dropdown menu. The main search area includes a 'Find' input box, a 'Reset All' link, and three search filters: 'Keyword', 'Title', and 'Author'. Below these filters is a 'Narrow your search to...' section with several dropdown menus: 'Material Type' (set to 'Any Type'), 'Sublocation' (set to 'Unlimited'), 'Reading Level' (set to 'From' to 'to'), 'Interest Level' (set to 'Unlimited' to 'Unlimited'), and 'Reading Programs' (set to 'Unlimited'). A 'Show Less' link is also present.

2. In the 'Find' box, the guest can type the desired keyword, title, or author.

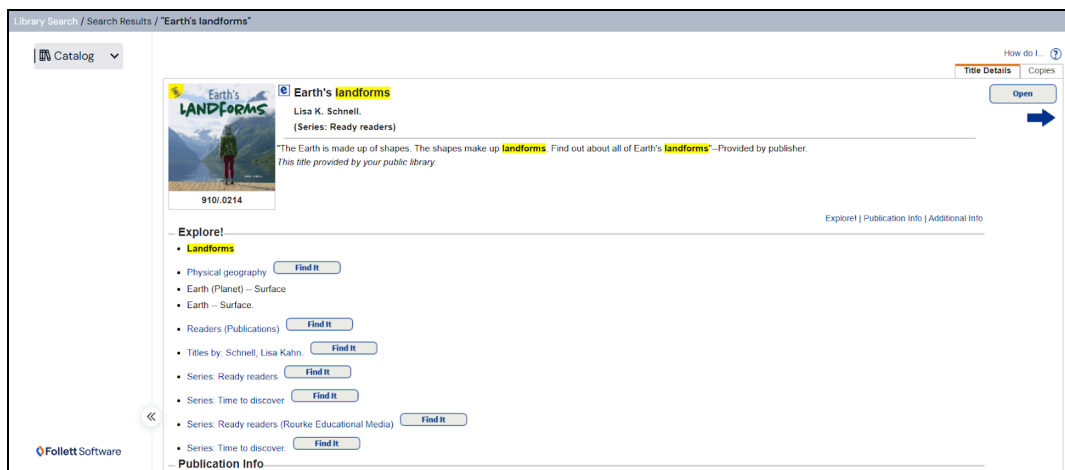

This screenshot is identical to the previous one, but the 'Find' input box now contains the text 'landforms'. The rest of the interface, including the search filters and navigation elements, remains the same.

3. The results will be displayed.

4. By clicking on the title of the book, the guest will be able to view pertinent information about the selection.

Contact Information

For more information regarding Destiny Library Catalog: Guest Access, please contact Dani Desiderio, coordinator, Literacy and Language Development Department, at (702) 855-9770 or via email at daniemd1@nv.ccsd.net.
