

School Organizational Team Application Information

As we begin the 2023-2024 School Year our school will form our seventh AB394 School Organizational Team that includes two teachers, a support staff member, and three parents. The role of the parents on the School Organizational Team is to provide input on the school performance plan, school budget, and to use data to guide key decisions focused on student achievement.

All decisions made with the SOT will be driven by consensus building, not voting, to ensure that all decisions and conversations are fueled by what is best for students. We are looking for open minded, global thinkers that welcome shared leadership and work well as a team.

As a Vassiliadis SOT parent member, you must be able to dedicate your time for trainings and meetings. You must be able to attend meetings, which will be at a minimum, once a month, and outside of school hours. All training and meetings must be attended. You must be able to serve on the team through September 30, 2024.

If you are interested in serving as a parent SOT member for the 2023-2024 school year, please complete the application on the next page. Please note your responses in the application will be shared with the school community. Applications must be received by 9:00 a.m. on Friday, September 8, 2023. Any late or incomplete applications will not be accepted and your application will be void.

Voting will take place online beginning Tuesday, September 12th at 5:00 p.m. and end on Thursday, September 14th at 5:00 p.m. An online link to vote will be email to all parents. For questions, please contact Ashley Butler, PTO secretary, at VassiliadisPTO@gmail.com.

Thank you,
