Water Cycle Review

Hi 5th Grade! What do you remember about the water cycle? Let's test your memory with 2 fun activities you can print off at home and do. If you don't have a printer, draw and color them on our own!

Water Cycle Cut and Paste

Print the worksheet cut out the words at the bottom and paste them into the correct place on the water cycle. Hint: Start on the far right with the 3 arrows going up. What is that part of the water cycle? Glue it in the box to the right of the 3 arrows and work up counter clock-wise from there. Color when you are done!
