

Clark County School District General Education Pre-Kindergarten Student Placement Procedures for the 2023–2024 School Year

Beginning with the 2023–2024 school year, the Early Childhood Department will manage interest and student placement for all general education Pre-Kindergarten (Pre-K) students in the Clark County School District.

Procedure

The Early Childhood Department will maintain a master list of all families interested in enrolling their general education students in a Pre-K program.

- Schools will distribute the [Pre-Kindergarten Flyer](#) to families no later than May 5, 2023.
- Schools will post the [Pre-Kindergarten Interest Form](#) on their school website no later than May 5, 2023.
- To express interest and have their student placed on the interest and/or waitlist, parents/guardians will complete the [Pre-Kindergarten Interest Form](#).
- If parents/guardians contact the school directly, schools will refer them to the Early Childhood Department at (702) 799-7479 or prekcasemanagement@nv.ccsd.net to express interest.
- Students will be offered a Pre-K seat at their zoned school, when available. If the Pre-K program at the zoned school does not have availability, students will be offered a seat at the closest school with an opening.
- If there are no Pre-K seats available at nearby schools, students will be placed on a waitlist until a seat becomes available.
- Schools will receive a class list of all general education students placed in the Pre-K program no later than July 14, 2023.
- Parents/Guardians will be notified via email of their student's placement no later than July 21, 2023, and will be provided with registration instructions.
- Students will continue to be placed in Pre-K programs until May 10, 2024. Upon placement, both the school and the parent/guardian will be notified of placement and the next steps.
- If principals have any specific requests for students to attend their program, the principal should contact Dr. Delilah Krasch, director, at (702) 799-7479 or via email at krascdj@nv.ccsd.net.
