

KINDERGARTEN

Hi Kindergarteners! Remember when we learned about the 4 seasons earlier in the year?

Spring, Summer, Fall and Winter.

We are in the SPRING season this month! You may have noticed lots of flowers outside, trees are getting their leaves back and the temperatures are warming up. Here are 4 fun pages you can have a grown up print off for you to color. Can you figure out which one is which season?

If you don't have a printer, draw your OWN pictures of each season. What will see you for each one? What kind of clothes will you wear in winter? What activities can you do in summer?

Enjoy the nice warm temperatures!
