

Kindergarten Roundup will be held on Wednesday, April 23, 2025 at Vassiliadis Elementary School in the Multi- Purpose Room from 4:00 p.m. – 5:30 p.m. This is a fun opportunity for future Kindergarten students and parents to gain information on registration, meet our Kindergarten teachers, and find out what Kindergarten is all about. We will highlight academic expectations, the classroom environment, and building a home-school connection through a variety of different academic stations for the kids.
